Poetic Composition of Naadi Writings

- It may be noted that the lyrical format is called as Anthadi and Sindupa Yamakam in Tamil Naadi verses have strict rules.
- First letter of 1st and 2nd line and 3rd and 4th line is same.
- The second letter of 1st line and 3rd line is the same!
- Also, the end part of the verse is the same as the beginning part in the next verse.) Similar effort has been made in Marathi by Haiyo Haiyaiyo sample case study. However, in Naadi any and every reading is woven in this pattern only!)
